

## DECLARATION OF PERFORMANCE

**No. 2797 CPR 550646**

1. Unique identification code of the product-type:  
**Photoelectric Smoke Alarm, JB-S01 & JB-S09**
2. Type, batch or serial number or any other element allowing identification of the construction product as required under Article 11(4) of the CPR:  
**N/A**
3. Intended use or uses of the construction product, in accordance with the applicable harmonized technical specification, as foreseen by the manufacturer:  
**Intended for Fire safety and indoor use**
4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required under Article 11(5):  
**Ningbo Hi-Tech Park Jabo Electronics Co. Ltd.  
No. 28 Jingsi Road  
Xiaogang Beilun  
Ningbo 315821  
China**
5. Where applicable, name and contact address of the authorised representative whose mandate covers the tasks specified in Article 12(2):  
**Not applicable**
6. System or systems of assessment and verification of constancy of performance of the construction product as set out in CPR, Annex V:  
**System 1**
7. In case of the declaration of performance concerning a construction product covered by a harmonized standard:

**BSI and identification No. 2797  
performed the initial type- testing for the relevant characteristics of the product, the initial inspection of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control under system 1 and issued the certificate of constancy of performance:**

**2797-CPR-550646**

8. Declared performance

| Essential characteristics                                                                                       | Performance | Harmonised technical specification |
|-----------------------------------------------------------------------------------------------------------------|-------------|------------------------------------|
| Nominal activation conditions/ Sensitivity, Response delay (response time) and Performance under fire condition | Pass        | EN 14604:2005                      |
| Operational reliability                                                                                         | Pass        |                                    |
| Tolerance to supply voltage                                                                                     | Pass        |                                    |
| Durability of operational reliability and response delay, temperature resistance                                | Pass        |                                    |
| Durability of operational reliability, vibration resistance                                                     | Pass        |                                    |
| Durability of operational reliability, humidity resistance                                                      | Pass        |                                    |
| Durability of operational reliability, corrosion resistance                                                     | Pass        |                                    |
| Durability of operational reliability, electrical stability                                                     | Pass        |                                    |

9. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 8. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

**Signed for and on behalf of the manufacturer by:**

.....Sunny Shen, General Manager.....
