Conduit clips FP & FPD

Advantages

FP single

FPD double

- Multidiameter: Each clip covers 3 pipe diameters
- Also suitable for flexible empty tubes on the floor
- Flexible use, **as compatible with every gas nailer**
- The alignment marking of the FPD supports the installation of cables in a straight line
- Halogen free

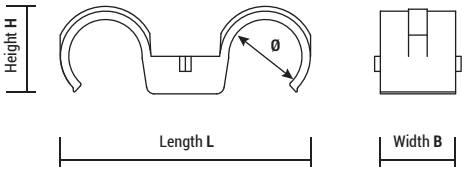

Alignment marking

Mounting

Approvals and certificates

when combining approved accessories, XHA-nails (22-38 mm) and FORCE ONE(+)
